

Penobscot Fly Fishers NEWSLETTER

June 2025 Edition

From the Home Pool

The next dinner meeting will be on **Wednesday, June 4, 2025**. Social hour and our featured fly tyer is at 5 pm followed by dinner being served at 6 pm. Dinner is available for \$15, but is not required to attend the meeting. A short business meeting follows dinner and then it is on to our speaker.

Our monthly dinner meetings are held at the **Penobscot County Conservation Association** clubhouse at 570 N. Main St. in Brewer. As always, the meetings are open to the public, so grab a friend and join us for a great meal, fellowship, and speaker, along with some wicked good fly fishing stories.

This month's dinner will be chicken and hamburgers with salad and chips followed by dessert. Tea and coffee will also be available.

June 4 Speaker

and

June Featured Tyer

The identity of these two are not available at this time. Come to the meeting to find out what fly is being tied by whom, and to hear our speaker of the month.

PCCA Family Fun Day 2025

This is a free event sponsored by the Penobscot County Conservation Association. This year's event takes place on June 21 from 9 a.m. to 2 p.m. Kids will learn to tie a fly and to use a fly rod. Canoe rides on the Penobscot River will be available, and PCCA provides lunch.

PFF volunteers are needed! We are looking for 1 or 2 volunteers to help with fly tying and 2 to help with casting. Please contact Don to volunteer at 207 478-3173 or donald.corey@gmail.com to volunteer for this fun event.

PFF Swag and Other News

Just a reminder that there is no PFF meeting in July or August. **The next scheduled meeting is September 3.**

And because there is no meeting in July or August, be sure to see **Mac** at the June meeting for any swag items that are ready for pickup. There are hats, fly boxes, and some apparel also available, all of which would make nice gifts or something that you want for yourself.

Editor's note: Have a great summer! I will be looking forward to seeing you at the September meeting and hearing your stories about your summer fishing adventures.
